29. Although the Show is based on the "Pictionary" television program produced by Otter Creek Productions, LLC., to the extent there are differences between the format of the television program and the Promotion, the Official Rules of the Promotion are as stated herein and govern the Show.

30. Each Game will consist of 2 Teams of 3 Contestants (individually, "**Contestant**," collectively "**Team**") to play a Game (the "**Game**") that consists of a series of rounds (individually "**Round**," collectively "**Rounds**") to win a prize(s) ("**Prize(s)**") and/or a grand prize as set forth below and subject to the terms and conditions set forth below.

31. By participating in the Game, each Contestant agrees that all decisions regarding the Game, including, but not limited to, the selection of Contestants and/or alternate Contestants, Contestant removal, substitution and/or elimination, rules and rules interpretation, fairness and form of questions/challenges/clues/words that must be drawn and identified, correctness of clues and answers, show production, Game play, penalties and disqualification determinations, and the awarding of any Prizes and/or Grand Prize, are at the sole and exclusive discretion of Producer and are final and not subject to appeal.

32. We will attempt to play a minimum of one "Game" and a maximum of five "Games" consisting of 2 Teams each Game playing the stated rounds in the time allotted on the stage from approximately 6pm-7pm.

#### **Game Play:**

33. The Game is played by two (2) Teams (individually "**Team**," collectively "**Teams**"). Each Team is comprised of two (2) Contestants and one (1) Team Leader Contestant. Each Game consists of two (2) Rounds and one (1) Bonus Round. The Producer may increase or decrease the number of Rounds played in a Game at its sole discretion.

#### **A. Round 1:**

In Round 1, the host will draw a word of their choice for BOTH TEAMS to see at the same time. Over the course of 15 seconds, the Team who yells out first and correctly identifies the image wins the chance to go first in Round 2. If neither Team correctly identifies the image, a coin will be flipped to determine which Team goes first. In the occasion of a tie, if both Teams correctly identify the

image at the same time, a coin will be flipped to determine which Team goes first in the next round.

**B. Round 2: SKETCH OR STEAL (100 points per question):**

**1. Selecting a Category:**

The leading Team (Team A) will go first in this Round. Both Teams will be given the category. Each Category has a name, which is usually humorous in nature, and which contains a list of six (6) words or phrases (e.g., names, titles, places, etc.) that fall under a common subject which may or may not be evident from the Category name itself.

- A) The first Contestant player on 'Team A' will approach the drawing pad or board and be shown a word. That Contestant player then will have 15 seconds to draw that word without using any numbers or letters in their drawing (Roman numerals are acceptable). Their Team mates must successfully say out loud the *exact* word as it is written on the card (e.g.: if the card says 'tissues', then 'Kleenex' is not an acceptable answer).
- B) If 'Team A' does *not* get the answer correct within 15 seconds, 'Team B' can make a guess which, if correct, will earn them the points for that word.
- C) Game play will now alternate between Teams from 'Step A' above, moving down the row of Contestant players in each until every Contestant player has gone.
- D) There is no passing in this Round. Contestant players must sketch the first word that is shown to them by the host. The only exception shall be if the Contestant player is a young minor and does not know what the word shown to them means or what it is. In that case, the Host shall ask the child if they know the word or not and they will privately tell the Host yes or no. If the child does not know the word, they will be shown an alternate word to draw that may be more familiar to children.

## 2. Playing a Category:

Starting with the Team A Team Leader drawing, followed by the Team B Team Leader drawing, the Teams will go back and forth, drawing and guessing until they have gone through 6 Words/Phrases.

Before a word or phrase is played, there are fifteen (15) seconds put on a countdown clock (“**Clock**”), which is visible to the Team playing. The Clock begins counting down on the Host’s cue when the first word or phrase in the Category is revealed to the Contestant. There will be fifteen (15) seconds allotted for each of the six (6) words or phrases in the Category. The Drawer “**DRAWER**” will draw the word or phrases while the Guessers “**GUESSERS**” attempt to correctly guess the word or phrase being drawn.

Each word or phrase is visible only to the Drawer and cannot be seen by the Guessers.

If the Contestant correctly guesses the word or phrase within the allotted fifteen (15) seconds, 100 Points is awarded to the Team.

If the Contestant correctly guesses the word or phrase within the allotted fifteen (15) seconds, the Host will acknowledge the correct guess. If, at the end of the allotted fifteen (15) seconds, the Guessers have not correctly guessed the word or phrase, The opposing Team is given the opportunity to “Steal.” They will have ten (10) seconds to guess what their opponent was drawing. If they guess correctly within the 10 seconds, they are awarded the 100 Points.

When the Guessers correctly guesses the word or phrase, or at the end of the allotted fifteen (15) seconds if the Guessers fails to correctly guess the word or phrase, the Clock is re-set to fifteen (15) seconds and the next word or phrase in the Category is revealed to the next Drawer.

The Drawers drawer may draw anything to get the Guessers to correctly guess each word or phrase, except for the following prohibited clues (“**Prohibited Clues**”), the use of which may, at Producer’s sole discretion, cause the applicable word or phrase in the Category to be nullified.

1. The Drawer may not use any letter or number in his/her drawing for the Guessers.
2. The Drawer may not speak (i.e., speak, indicate, signal or mouth) the answer to the Guessers at any point during Game play of this Round.
3. The Drawer may not pantomime or gesticulate to the Guessers at any point during Game play of this Round

Audible, complete and **correct responses started or stated before** the Clock reaches zero are counted as correct.

The Drawer may use symbols in his/her drawings (e.g., dollar signs, arrows, etc.) to get the Guessers to correctly guess the word or phrase.

The Team that wins this round with the most points, gets to go on to the final draw bonus round to play for the cash prize. The losing Team will get parting participant prizes as described in the prize section and will end their play in the Game.

### **3. Tie Break**

In the occasion of a tie Game after Round 2, the Producers may implement a tie-break option.

Host Draw: The Host will draw a word/phrase given to both Teams until a Team yells out and correctly identifies the image.

## **C. BONUS ROUND/FINAL DRAW**

- A) One 'Drawer' will be nominated from the winning Team's Contestant players, and the others will become the 'Guessers'.
- B) The 'Drawer' will be shown a spread of 5 (five) word cards, and they will choose three (3) to draw. They will have a total of 45 seconds total to draw on a running clock in order for their Team to correctly guess the *exact* words given. The drawer starts with the first card and will continue drawing and the guessers will keep guessing until time expires or they are told by the Host that they have guessed correctly, at which point the Drawer picks a second numbered card, revealing another word or phrase that they will draw. The drawer will continue drawing and the guessers will keep guessing until time expires or they are told by the Host that they have guessed correctly at which point they will select a 3<sup>rd</sup> and final card to draw.

Passing is allowed in this round. Drawers can only pass on one or two of the five words. The only exception shall be if the Contestant drawer is a young minor and does not know what the word shown to them means or what it is. In that case, the Host shall ask the child if they know the word or not and they will privately tell the Host yes or no. If the child does not know the word, they will be shown an alternate word to draw that may be more familiar to children.

If the Team is able to identify all three (3) words within the total of forty-five (45) seconds, the Team Leader wins the Grand Prize of \$100 on behalf of the Team. If the Team is only able to identify one (1) or two (2) words within the forty-five (45) seconds, the Team Leader only wins \$25. If the Team doesn't identify any of the words correctly, they do not win any cash prizes, but they still have won their Contestant Prize 1.

34. Contestants cannot confer with anyone who is not on their own Team while determining his/her answer or guess of the sketch drawn (including, but not limited to, members of the audience); to do so results in disqualification from the Game.

### **35. Judging:**

All decisions regarding the Promotion, including but not limited to, the selection of Contestants, eliminations, rules, fairness and form of questions/challenges/clues/words that must be drawn and identified, Program production, Game play, penalties and disqualification determinations, Prohibited Clues determinations, and the awarding of any Prize(s) and/or Grand Prize, are at the sole and exclusive discretion of the Producer and are final and not subject to appeal. All determinations and decisions regarding the correctness, completeness or incorrectness of an answer are in the sole discretion of the Producer and shall be final, binding on all Contestants, their agents, representatives, legal successors and assigns, and not subject to challenge or appeal.

Producer will rule whether an answer is audible and complete and answered within any allotted time limits at its sole discretion.

Producer will determine in its sole discretion whether multiple forms of a word are acceptable answers. For example, if "bath" is the correct word and "bathtub" is the answer given by the Contestant, Producer may credit such answer as a correct response. Conversely, if "bathtub" is the correct word and "bath" is the answer given by the Contestant, Producer may not credit such answer as a correct answer.

If the Host inadvertently reveals the answer to a word or phrase, or if an answer is otherwise revealed before the Contestant has the chance to answer, Producer may stop Game play. Producer reserves the right to stop the Clock and replace the word(s) or phrase(s) regardless of whether the answer revealed was correct. The Clock will be reset to the time the replaced word or phrase was asked (as determined by Producer in its sole discretion) and Game play will continue with the Host reading the next word or phrase. If any error is made by the Host or the computer operator during Game play (e.g., the Clock is inadvertently stopped or started, etc.) or Game play is corrupted in some way, in the sole discretion of Producer, each case will be evaluated on an individual basis; provided, however, that in all cases the determination, judgment and decision of Producer will be final and binding for all purposes and not subject to appeal.

### **36. Prizes and/or Grand Prize:**

Notwithstanding anything to the contrary contained herein, and notwithstanding any prize amounts stated by the Host during the Promotion, for this Promotion, Contestants will receive the following prizes:
